1 WELCOME AND INTRODUCTION

1.1 Welcome to Jordan Baja 2019

On behalf of the Jordan motorsporting family, I welcome you to an exciting new chapter for us all.

For the past 60 years, we have built a vibrant motorsport community which has enjoyed countless FIA local, regional and world events.

We are an ambitious Kingdom always looking for the next adventure, mindful of the role that motorsport can play in promoting our country to the wider world.

And what better way to do this than by hosting a challenging Baja through the spectacular terrain of Wadi Rum?

The Jordan Baja is much more than a sporting event, it will showcase the Red Sea resort city of Aqaba, which is one of the fastest growing tourist destinations in the Middle East, not to mention the UNESCO World Heritage Site of Wadi Rum and, of course, the ancient city of Petra, one of the Seven Modern Wonders of the World.

Jordan has enjoyed a fruitful relationship with the FIA over many years, particularly during our exciting venture into the FIA World Rally Championship in 2008, 2010 and 2011, and we are delighted to have been entrusted with the seventh round of the inaugural FIA World Cup for Cross Country Bajas.

We are confident of delivering something fresh and exhilarating and will endeavour to host a world-class Baja for our friends from across the region and beyond to enjoy.

My team at Jordan Motorsport is working hard alongside several Government agencies, organisations and security services to ensure we live up to your high expectations.

I extend my hand of friendship by inviting you to join us for this exciting new challenge, where a very warm Jordanian welcome awaits from September 19-21.

Feisal Al Hussein

Chairman

Extensive written media coverage is expected in both the English and Arabic media with distribution reaching thousands of media contacts worldwide.

Jordan Television and Roya TV will send teams to cover, while a number of regional broadcasters have shown an interest and are expected to attend or receive footage.

The event radio partners; Hala 102.1 and Bliss 104.3 will be based at the Aqaba Service Park – Saraya Aqaba (near Al-Manara hotel).

14.7 Media Safety

We do acknowledge that the Media play an important role in our events and that each member must be permitted to carry out his or her duty in the best possible surroundings. However, they are not

exempted from having to respect safety regulations. In general, this should not interfere with their ability to perform their duties. Nevertheless, safety will always take priority. Such is the open nature of the Baja and this being the first one in Jordan, we request that our media colleagues pay special attention to our marshals' advice and orders this year and take extra safety precautions themselves.

15 MEDICAL AND SAFETY SERVICES

A Medical Centre will be located near Wadi Rum Bait Ali camp

The Organisers of Jordan Baja have developed a medical and safety system based on a hospital network that will be on alert all throughout the Rally, and on the accurate coordination of emergency vehicles and ambulances.

The comprehensive network will provide health assistance to both crews and spectators. The team consists of several first intervention vehicles (FIV) and Ambulances based at the start of Special Stages and other critical locations in the stages.

Four safety and medical helicopters stationed near Bait Ali Camp will provide assistance in difficult to reach areas and be ready to transfer injured patients. Qualified doctors and specially trained assistants are on board every vehicle. Nearby hospitals are on alert and the medical helicopters will fly to larger hospitals in Aqaba or Amman if needed.
